DESCRIPTION

MO2144 Hubstand: a compact bamboo IT accessory offering four USB outputs (2 x Type-A and 2 x Type-C) with a 2-in-1 Type-C & Type-A input. The bamboo housing provides a smooth, natural finish; at 10.5 x 4.5 x 1.6 cm with a 20 cm cable it sits neatly on any desk and suits both fixed and mobile workstations. Care is straightforward: wipe with a dry or slightly damp cloth, do not submerge.

The rectangular profile and visible bamboo grain give the hub stability and a clean aesthetic. Ports are arranged along one long side for easy access, and the solid construction reduces movement when connecting devices.

Customisation available by digital printing, doming, pad printing and laser engraving. Ideal for companies, sports clubs, associations, events and individuals looking for a personalised accessory with your logo. This item is not sold per piece: minimum order 50 units (colours and sizes combined).
