DESCRIPTION

The Versa 3-in-1 cable set is a phone accessory designed for corporate gifting, events and everyday office use. Housed in a compact bamboo box (9.6 x 6.5 x 2.1 cm), it includes a Type-C to Type-C cable plus adapters for C to USB-A, micro-B and Lightning, offering a tidy solution to charge multiple devices from one kit. The natural wood finish gives it a presentable, eco-friendly look.

The box features a hinged lid and a moulded insert that keeps the cables and connectors securely in place, making the kit easy to store in a bag or on a desk. The bamboo surface benefits from simple care — wipe with a soft cloth and avoid prolonged moisture exposure to preserve the finish.

Customisation options include digital printing, doming, laser engraving and pad printing. Well suited for companies, clubs, associations and events looking for a personalised phone accessory. Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and graphic studio assistance available to vectorise your logo.
