DESCRIPTION

The Hippy mini flask keyring is a compact stainless steel bottle holding 28 ml, designed to clip onto a bag or keyset. Its small rectangular shape (3.5 x 1.5 x 7 cm) makes it a discreet, sturdy accessory for carrying minimal amounts of liquid. Stainless steel gives it lasting resistance and easy upkeep; hand washing is generally sufficient.

The item features a screw cap with seal and a metal carabiner-style clip for secure attachment. The satin-like finish and rounded edges make it comfortable to handle and simple to stow in a pocket or bag. It is practical as an event giveaway, corporate gift or promotional accessory.

This personalised bottle can be marked by digital printing, laser engraving or pad printing. Minimum order: 150 pieces (colours and sizes combined). Suitable for companies, sports clubs, associations, events and private customers wanting a durable promotional item. Our studio can refine or vectorise your logo; free quote within 24 hours on weekdays. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
