DESCRIPTION

Set of three garden tools presented in an RPET felt pouch. The pack includes a hand rake, a trowel and a transplanting trowel with wooden handles and metal heads; the compact 9x22 cm pouch secures each tool with elastic loops. Designed for everyday gardening tasks, this set is easy to carry and maintain by wiping metal parts clean after use. Its simple design focuses on practicality and storage.

The RPET pouch protects the tools during transport and reduces the risk of damage to other items. The handles have hanging holes for optional storage and the metal heads are suitable for working in loose soil. Pouch dimensions: 9x22 cm.

Customize these tools for companies, clubs, associations or events using techniques such as screen printing on objects, multicolour transfer, DTF printing, flex, laser engraving or pad printing. Minimum order: 20 pieces (colours and sizes combined). A practical and eco-conscious choice for promotional gifts or gardening starter kits — personalised garden tools.
