Reference	2156
Composition	ABS
Material	ABS
Average weight	0.055
Dimensions	3,0 x 1,6 x 10,7 CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

The Supable phone accessory is a compact 9-in-1 set combining a Type-C to Type-C data and charging cable (480 Mbps) with adapters (Type-C to Type-A, Type-C to 2-in-1 & micro-B), slots for micro and nano SIM cards, and an ejector tool. Made from ABS and housed in a slim case measuring 3.0 x 1.6 x 10.7 cm, it is designed for everyday convenience in corporate, event or promotional use.

The internal layout keeps the cable and adapters neatly organised to prevent tangling and makes the unit easy to distribute at trade shows or include in welcome packs. Its compact case protects the components while remaining easy to store.

We offer customisation by digital printing, doming or pad printing to create a personalised phone accessory for businesses, clubs, associations, events or private gifts. Note: minimum order 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
