Country of origin	China
Carton	500 pieces

DESCRIPTION

The Veria click pen is made from recycled aluminium and designed for daily office use or event giveaways. Its slim profile (Ø1x13.7 cm) pairs a metal upper body with a natural cork grip for comfortable handling; the refill uses blue ink. The sturdy construction makes it easy to maintain and reliable in pen pots or welcome packs.

A metal clip and chrome trims add durability, while the cork grip reduces slipping and lends an eco-conscious touch. Compact dimensions make it suitable for promotional distributions and corporate stationery kits.

This personalised pen can be finished by laser engraving, pad printing or digital printing depending on the logo location and desired effect. Minimum order: 250 pieces (colours and sizes combined). Recommended for companies, associations, schools, clubs and events looking for a practical, recyclable promotional item. Free quote within 24 hours on weekdays; in-house studio can prepare or vectorise your logo.
