DESCRIPTION

Pressed peat disc for growing summer flower mixes, supplied in a small cardboard box measuring 4.5 x 4.5 x 1 cm. The paper box protects the disc and makes it easy to distribute at events or as a promotional giveaway. The disc contains the growing medium and seeds required to start a small summer crop — follow the included planting instructions for best results.

The compact square box features clean folds and a simple finish, designed for promotional use or direct distribution. The paper material takes print well, making it suitable for branded campaigns and easy handling at events or in retail packs.

Customisation is available by digital printing, doming or pad printing to add your logo or message. Suited to companies, clubs, associations, events and private customers looking for a small branded gardening item. Minimum order: 1080 pieces (colours and sizes combined). Free quote within 24 h on weekdays; our studio can retouch or vectorise your artwork.
