DESCRIPTION

The Ugua storm umbrella is built to withstand windy conditions and provide reliable rain protection. This unisex model features manual open and close, a sturdy fiberglass shaft and ribs, and a 4-panel pongee canopy with PET finish for practical durability; wipe clean with a damp cloth. Available in several colour options, for example black, grey and blue.

The straight ABS handle includes a rubberised finish for a secure, ergonomic grip. Four panels incorporate reflective elements to improve visibility in low light. With generous coverage (Ø132 x 96.3 cm) and reinforced construction, it is well suited to repeated use.

Ideal as a personalised umbrella for companies, sports clubs, associations and events. Customisation techniques: screen printing on object, multicolour transfer, DTF printing or flex. Minimum order 10 pieces (colours and sizes combined); smaller quantities possible with additional fees.
