DESCRIPTION

The Irea backpack is designed to hold a 15-inch laptop, made from PET 600D with a 210D lining and a padded back for comfortable carrying. It features a reinforced base for added durability. The roll-top closure gives a flexible main compartment and a vertical profile suited to daily commuting, business travel and group activities.

Practical details include a front zipped pocket for small items, adjustable shoulder straps and a top carry handle. The construction shows reinforced stitching at the base. Dimensions: 32 x 13 x 61 cm; available in several colours such as Black, Blue and Red.

This personalised backpack can be customised for companies, sports clubs, associations and events using screen printing, multicolour transfer, DTF printing or flex. Minimum order: 10 pieces (colours combined). A free quote and graphic studio support are available to prepare or vectorise your logo.
