Country of origin	China
Carton	400 pieces

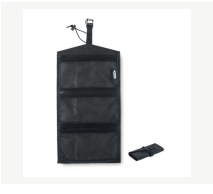

DESCRIPTION

RPET 210D roll-up cable organiser designed as a practical travel accessory to store chargers, cables and small electronic items. Measuring 19.5 x 36.5 cm, it features three zippered mesh compartments for quick content visibility and a top strap with a buckle to hang the organiser in a suitcase or toiletry bag. The RPET material is easy to care for and suitable for repeated use; it also works well as a cosmetics pouch.

The Traveli model folds neatly for compact storage; the three zipped pockets keep items separated while the mesh panels allow fast identification of contents. The upper strap includes a buckle and cord toggle for secure attachment or hanging during travel.

Customisation available by screen printing, multicolour transfer, DTF printing or flex — perfect for companies, sports clubs, associations, events and corporate gifts. This is a non-textile item with a minimum order quantity of 200 pieces (colours and sizes combined); free quotes are provided on weekdays.
