DESCRIPTION

The Notamusic portable speaker features a cylindrical design for on-the-go use. Built with an ABS shell and a carry handle for easy transport, it has control buttons on the top for straightforward operation. It includes a 2400 mAh rechargeable battery providing around 5 hours of playback and offers AUX, USB and TF ports for multiple audio sources. Dimensions: 22 x 8 x 8 cm.

The compact shape and carrying strap make it suitable for outdoor events, trade stands and team activities. Visible practical details include a soft handle and integrated top-panel buttons for simple use. The ABS construction gives it reliable everyday durability.

This speaker can be personalised from a minimum order of 3 pieces. Marking options: laser engraving, pad printing, digital printing and doming. Recommended for companies, sports clubs, associations, events and private clients looking for a personalised speaker. Request a free quote — our graphic studio can retouch or vectorise your logo.
