DESCRIPTION

The Sonora TWS earphones are made from ABS and designed for on-the-go use. This True Wireless Stereo (TWS) Bluetooth 5.3 model includes a microphone, a 30 mAh battery per earbud and a compact charging case (4.8 x 4.8 x 2.3 cm) with a 200 mAh charger and USB-C cable. A solar charging option is included on the case and pairing is automatic for quick connection. Listening time is approximately 4 hours.

The case features dedicated slots for each earbud for easy storage and charging. The smooth ABS finish is simple to clean and the compact design makes these earbuds practical for commuting, meetings and everyday activities.

These personalised earphones can be marked by pad printing. Minimum order: 50 pieces (colours and sizes combined); smaller quantities are possible with additional fees. Suitable for companies, associations, events, sports clubs and corporate gifts. Our workshop provides a free quote within 24 hours on weekdays and a graphic studio to adapt or vectorise your logo.
