DESCRIPTION

The Mare beach bag is made from recycled cotton (80% recycled cotton, 20% regular cotton), designed for everyday use, beach trips or shopping. Its rectangular cut with a flat base (55 x 15 x 39 cm) provides ample capacity and stable standing. Rope handles offer comfortable carrying and a natural look; the fabric has a textured appearance and is maintained like regular cotton.

Details include reinforced top stitching and a boxed base that gives structure for towels, bottles or documents. The model is available in several colours, for example Black, Grey and Beige.

This personalised beach bag can be marked by screen printing, multicolour transfer, DTF printing or flex and suits companies, sports clubs, associations, events and private customers. Minimum order: 38 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees. Our graphic studio can vectorise or retouch your logo prior to production.
