DESCRIPTION

Drawstring bag in jute, suitable for events, trade fairs and corporate gifts. The Fukuro model measures 33 x 41.5 cm and combines a natural jute body with cotton cords: lightweight, breathable and sturdy for everyday use. Its simple shape fits brochures, accessories or small garments; the natural fibre gives structure while remaining flexible. Available in several colours, for example black and beige.

Closure is by a sliding cord that doubles as shoulder straps; visible stitching provides reliable strength for typical loads. The raw finish and textured jute surface create an authentic, eco-friendly look suited to sustainable branding. Care: shake out and air, spot-clean stains (avoid heavy washing to preserve the fibre).

Customisation options for companies, clubs, associations and events include DTF printing, transfer and flex. Minimum order: 25 pieces (colours and sizes combined). We offer a free quote within 24 hours on weekdays, a graphic studio to retouch or vectorise your logo, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
