DESCRIPTION

This cotton organic shopping bag (38x9x42 cm) has a straight cut with a gusset and long handles for comfortable shoulder carry. The organic cotton canvas gives a natural look with a soft hand and visible stitching that reinforces the crafted finish. Care is straightforward: wash at low temperature and air dry to maintain the fabric.

The gusseted base increases usable capacity without distorting the shape, making it suitable for groceries, trade shows or promotional use. The long handles are top-stitched for added durability in everyday use.

This personalised shopping bag can be printed using screen printing, multicolour transfer, flex or DTF printing. Suitable for businesses, sports clubs, associations, events and private customers looking for an eco-friendly giveaway or marketing item. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; in-house design studio can vectorise or retouch your logo.
