DESCRIPTION

This organic cotton shopping bag combines a simple, square cut with a gusseted side for increased capacity, making it suited to daily use, trade fairs or event giveaways. The long shoulder straps allow comfortable carrying; the natural cotton fabric gives a structured feel and is easy to care for with standard machine washing.

Practical details include reinforced side seams and a gusset to distribute weight evenly, plus wide handles stitched up to the bag's top for strength. A small sewn label at the side identifies the material without affecting the printable area. Dimensions: 38 x 9 x 42 cm.

Available as a personalised shopping bag using screen printing, multicolour transfer, flex or DTF printing. Recommended for companies, sports clubs, associations, schools and private customers ordering in bulk. Minimum order: 25 pieces (colours and sizes combined). Graphic studio for logo retouching, free quote within 24 hours on weekdays, standard production 10 working days, collection in Evere or delivery in Belgium, France and Luxembourg.
