Reference	2198
Composition	Borosilicate glass
Material	Borosilicate glass
Average weight	0.25
Dimensions	Ø8.5 x 11.5CM
Country of origin	China
Carton	20 pieces

DESCRIPTION

This Tiral double-walled borosilicate glass mug holds 250 ml and is designed for tea and coffee. The unisex shape includes an ergonomic handle and an inner suspended wall that reduces heat transfer, keeping the outer surface comfortable to touch. A bamboo lid provides a natural finish and helps retain warmth. Material: borosilicate glass; dimensions Ø8.5 x 11.5 cm; the lid requires careful maintenance.

The straight profile and double-wall construction give good table stability and a neat presentation. The lid fits snugly without visible hardware, making it convenient for domestic use; the opening allows easy filling and cleaning. Supplied in 1 colour (transparent).

Personalise this mug for corporate gifts, clubs, associations or events: available marking methods include digital printing, doming, laser engraving and pad printing depending on the desired finish. Minimum order: 10 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
