Double wall mug 350 ml

Ref. 2199

Reference	2199
Composition	Borosilicate glass
Material	Borosilicate glass
Average weight	0.3
Dimensions	Ø8.5 x 13CM
Country of origin	China
Carton	20 pieces

DESCRIPTION

This 350 ml borosilicate double-walled glass mug combines practical insulation with a clean, functional look for office or home use. The unisex shape features an ergonomic handle and rounded profile for a secure grip. The double wall reduces heat transfer to protect hands while helping drinks keep their temperature. A bamboo lid with an inner seal (visible on the product) helps prevent spills and retains warmth. Dimensions: Ø8.5 x 13 cm.

The clear glass showcases the beverage and the insulating cavity. The simple finish and integrated handle offer reliable handling; hand-wash the bamboo lid to preserve its appearance. Practical for coffee breaks, tea on the go and hospitality at events.

This item is a personalised mug suited to companies, sports clubs, associations, events and private customers. We can mark it by digital printing, doming, laser engraving or pad printing. Minimum order: 10 pieces (colours and sizes combined) — smaller quantities possible with additional fees. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
