DESCRIPTION

The Ayuda multi-tool is a compact stainless steel implement designed for everyday use by businesses, clubs and individuals. It combines 10 functions (pliers, blade, screwdriver, etc.) and includes a small light powered by three AG3 button batteries supplied. Its folded size (6.7 x 2.7 x 1.3 cm) and supplied 600D polyester pouch make it easy to carry and store, practical for on-site fixes and quick repairs. Maintenance is straightforward: wipe the steel and occasionally lubricate the joints.

In use, the key ring allows easy attachment and the pouch protects sharp elements. The stainless finish provides lasting durability and the folding design keeps bulk to a minimum when stored. The compact proportions mean it fits comfortably in a pocket or tool kit.

This personalised tools and torches can be marked by laser engraving, pad printing, multicolour transfer or DTF printing depending on the desired finish. Suitable for corporate gifts, events, associations and sports clubs. Minimum order: 50 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees.
