Ref. 2202

Reference	2202
Composition	Metal
Material	Metal
Average weight	0.138
Dimensions	10 x 7CM
Country of origin	China
Carton	80 pieces

DESCRIPTION

This 200 ml enamel-coated metal mug features a compact, vintage-inspired shape suitable for everyday use or outdoor activities. A rolled metal rim and a generous handle provide a secure grip, while the smooth enamel surface is easy to wipe clean. At 10 x 7 cm it’s well suited to hot drinks such as coffee or tea and works equally well for personal use or event giveaways.

The mug has a straight profile and stable base; the enamel finish offers a glossy, wear-resistant surface. Care should be taken to avoid strong impacts that could chip the enamel. Supplied as model Plateado S and available in 1 colour (white), it stacks neatly for storage.

This personalised mug is decorated by sublimation, a technique that reproduces full-colour graphics on the enamel layer. Recommended for companies, sports clubs, associations, schools, youth movements and private customers. Minimum order: 40 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection in our Evere workshop or delivery in Belgium, France and Luxembourg.
