DESCRIPTION

Compact Toshi bum bag in RPET with RPET 210D lining, designed for everyday carry and outdoor use. Its small rectangular shape (19 x 6 x 14 cm) provides a zippered main compartment sized to hold a phone, keys and wallet without bulk. The fabric shows a matte, structured finish suggesting a lightweight yet durable feel; clean with a damp cloth. Available in several colours, for example Black and Blue.

The bag features a prominent zipper closure and an adjustable strap with a sturdy plastic buckle, allowing wear around the waist or across the body. Stitching appears reinforced at stress points to withstand frequent use.

This personalised bum bag is suitable for companies, sports clubs, associations, events and private customers. Customisation options: screen printing (object), multicolour transfer, DTF printing and flex. Minimum order: 50 pieces (colours combined).
