Ref. 2205

Reference	2205
Composition	Aluminium
Material	Aluminium
Average weight	0.13
Dimensions	Ø6 x 4,9 CM
Country of origin	China
Carton	50 pieces

DESCRIPTION

Compact wireless speaker Rumba with an aluminium body, designed for portable use. The cylindrical housing combines a sturdy metal side with a slotted bamboo top and a cork base for a natural, non-slip finish. Dimensions Ø6 x 4.9 cm; a rechargeable Li-ION battery is included, providing around 3 hours of playback. Practical for use at the office, events or at home.

The speaker's detail-focused design pairs a metal casing with a bamboo grill that allows sound to pass while the cork base protects surfaces. The top slots offer sound dispersion and protection for the driver. Care is straightforward: wipe with a dry or slightly damp cloth and avoid immersion or abrasive cleaners.

This personalised speaker can be branded by laser engraving, screen printing on objects or pad printing. Minimum order 25 pieces (colours and sizes combined); smaller runs are possible with additional fees. Suited to companies, clubs, associations, schools and event giveaways — our graphic studio can vectorise or retouch your logo and we provide a free quote within 24 hours on weekdays.
