DESCRIPTION

Compact and practical, the Thrym rectangular ice scraper made from recycled plastic is the go-to tool when temperatures drop. Manufactured from recycled HIPS plastic, it offers strength and lightness to remove ice and frost efficiently. The scraper features a flat edge, a toothed edge and a windscreen-wiper cleaner, and its rectangular shape makes it easy to grip and store in a vehicle.

This custom ice scraper with logo can be personalised using pad printing, screen printing for objects or digital printing. Suitable for companies, sports clubs, associations, events and private individuals, it is a useful and sustainable promotional item to display your logo or message.
