DESCRIPTION

Compact insulated cup with a 250 ml capacity, designed to fit most coffee machines. The double-wall construction and screw lid help retain beverage temperature while reducing spills, making it convenient for on-the-go use. Manufactured from PP with a significant share of Prevented Ocean Plastic, it is BPA-free, EN12875-1 compliant and dishwasher and microwave safe. Dimensions: 11.8 x Ø 9.45 cm.

The cup is offered in several colours, for example White, Blue and Black, and features a straight, easy-to-clean profile. The raised rim improves grip and the threaded lid secures the opening for transport. Its compact, lightweight shape suits bags and vehicle cup holders.

Personalise this personalised cup using screen printing (screen printing): ideal for companies, cafés, events, clubs and corporate gifts. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
