## DESCRIPTION

This 650 ml single-wall sports bottle features an ergonomic shape with a narrowed midsection for a secure grip. Made from recycled plastics (POP PET and recycled PP/PP), it is food-contact safe and may show minor marks typical of recycled material. Its tall, slim profile with a flip-top spill-proof lid makes it suitable for daily use at the office, during sport or at events.

The screw neck is fitted with a coloured flip-top lid for easy access to drinks. Dimensions are 22.1 x Ø 7.35 cm. The bottle comes in several colours (for example Charbon/Noir, Bleu, Translucide/Blanc) and colour combinations can be mixed on request. Manufactured in the UK; this item is not available per piece: minimum order 25 pieces (colours and sizes combined).
