DESCRIPTION

This compact Allin1 kitchen utensil combines a bottle opener, corkscrew and small pocket knife in a 13.3 x 3.6 cm format. Functional parts are stainless steel while the handle is bamboo and fitted with a keyring for easy carrying. Practical as a giveaway for events, hospitality or outdoor use.

The bamboo handle provides a natural grip and understated look. The blade and metal tools fold into the handle for safe transport, and the keyring with short chain allows attachment to keys. Clean metal parts by hand and wipe the bamboo handle dry to maintain its appearance.

This personalised kitchen utensil can be customised by laser engraving or pad printing, perfect for a discreet logo on the bamboo handle or a small mark on the metal. Suitable for companies, events, associations and promotional gifts; minimum order: 150 pieces (colours and sizes combined). Our studio can prepare or vectorise your logo for marking.
