DESCRIPTION

ABS lip balm shaped like a football, designed for everyday use. Compact (Ø3.5 cm) with SPF10 and a vanilla flavour, it fits easily in a pocket or bag. The spherical shell gives a secure grip and a dome applicator that keeps the product protected between uses.

The ABS finish provides solid handling and durability; the screw-top keeps the balm sealed. Easy to wipe clean with a damp cloth. The Ball model is particularly suitable for sports events, award giveaways and merchandising packs.

Customisation available by pad printing (pad printing). Minimum order: 150 pieces (colours and sizes combined). Recommended for companies, sports clubs, associations, events and individuals seeking a personalised lip balm.
