DESCRIPTION

Small terracotta pot supplied with a substrate pellet and cress seeds, intended for easy growing on a windowsill or tabletop. Cress Pot model, measures 6 x 5.5 x 5 cm, with a classic shape and slight rim for comfortable handling. Made in the EU from natural terracotta, it offers solid stability for small indoor crops and simple care: water sparingly and allow good drainage.

The compact size makes it suitable for promotional giveaways, educational activities or as a welcome gift. The kit is ready to use thanks to the included substrate pellet and the pot sits steadily on a flat surface. Practical for collective use (events, offices, schools) or individual display on a windowsill.

Customisation available by laser engraving, pad printing (tampography) or digital printing. This personalised garden pot is suitable for companies, clubs, associations, events and private customers. Not available per piece: minimum order 60 units (colours and sizes combined) as indicated on the product sheet.
