DESCRIPTION

The Curvy C wireless mouse is a compact office accessory in recycled ABS (11.2 x 5.7 x 2.5 cm) with a low, rounded profile offering a natural grip. It features a central scroll wheel and standard left/right buttons, and is powered by a 500 mAh USB-rechargeable battery, supplied with a USB cable. Available in several colour options, it is suitable for everyday office or remote working use.

The pictured finish appears smooth and matte, easy to wipe clean with a damp cloth. The mouse includes a small wireless USB receiver that stores conveniently when not in use. Its compact dimensions make it practical for both fixed desks and mobile setups.

This item can be personalised by pad printing for companies, sports clubs, associations, events or private customers. Minimum order: 20 pieces (colours combined); smaller quantities may be possible with extra fees. Our graphic studio can retouch or vectorise your logo and we provide a free quote within 24 hours on weekdays.
