DESCRIPTION

The Numana skirt for women has a tailored pencil silhouette falling to the knee with a central back vent and an elasticated lining for comfort and ease of movement. Made from a polyester/wool blend with Lycra and finished with a Nanotech stain-resistant treatment, it combines stretch and durability. It is available in several colours, for example Black and Navy, and in sizes 34 EU to 46 EU.

The fabric shows high resistance to abrasion and maintains a smart appearance over time; the rear vent aids walking comfort while preserving a professional fit. Care instructions: machine wash at 40°C or dry clean.

The Numana skirt can be personalised from one piece and suits companies, sports teams, associations and individuals looking for a tailored uniform. Possible techniques: embroidery, DTF printing, flex, screen printing, transfer prints and embroidered badges. personalised skirt for staff uniforms, events and club wear.
