DESCRIPTION

The Cesta collapsible picnic basket is made with a PP base and a flexible silicone mid-section, offering a 16 L capacity and measuring 46.5 x 29.5 x 10 cm. Designed for easy transport of food and picnic essentials, it features two rigid handles for carrying and a clip-on lid with an integrated cup recess and a narrow slot for cutlery.

The basket folds down to save space and the rigid top gives a stable surface when closed. Visible details include the flexible central band that adapts to the load and lateral clips to keep the unit secured. Care is straightforward: wash the PP parts with soapy water and wipe the flexible section dry.

This item is suitable as a personalised picnic and camping item and can be decorated by screen printing. Ideal for companies, sports clubs, associations, events and private customers. Minimum order quantity: 3 pieces (colours and sizes combined). Free quote and graphic studio available to prepare or vectorise your logo.
