DESCRIPTION

The Pila scented candle comes in a square glass container designed to subtly fragrance small spaces. It contains 50 g of vegetable wax and has an approximate burn time of 8 hours. The glass jar provides sturdy handling and is easy to clean; a bamboo lid is included to preserve the scent between uses. Suitable for home use, corporate gifts and small event giveaways.

Its compact dimensions (5.2 x 5.2 x 5.7 cm) make it easy to present in gift sets or on a display. The bamboo lid adds a natural finish and protects the wax from dust. Available in several colour options with different fragrances (vanilla, lemon, orange, apple), it pairs well with other promotional products.
