DESCRIPTION

This baby wash kit contains six essential items — a soft brush, comb, toothbrush, nail file, nail clipper and scissors — presented in a zippered polyester 600D case. Designed for infants and young children, the pieces have ergonomic handles and gentle finishes suitable for delicate skin. Its compact footprint (195 x 16.6 cm) makes it convenient for travel or storage in a changing bag.

The case opens flat to reveal elastic keepers and a full zip closure that secures the tools during transport. Made from PET materials, the set offers good moisture resistance and is easy to clean with a damp cloth, making it practical for everyday use or trips.

This personalised baby set is available from a minimum order of 25 pieces. Personalisation options include screen printing on object, multicolor transfer, DTF printing and flex. Suitable for companies, sports clubs, associations, schools and private events. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
