## DESCRIPTION

Wired earbuds with a Type-C connector supplied in a compact plastic case measuring 7 x 7 x 1.9 cm. The earbuds include three sizes of soft silicone tips for improved comfort and passive noise reduction. A 120 cm cable can be neatly stored in the case for tidy transport. The housings are ABS, easy to care for and suited to regular everyday use.

The presentation box features a snap-fit closure that keeps the earbuds and cable secure, making them practical for event giveaways or bundled promotional kits. Their small footprint makes them convenient corporate gifts or merchandise for clubs and organisations.

Customisation available via tampography, digital printing and doming. Minimum order: 50 pieces (colours and sizes combined). Recommended for companies, sports clubs, associations, events and individuals seeking personalised earbuds or a custom product with your logo. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
