DESCRIPTION

High-visibility safety vest in PET with two horizontal class 2 reflective bands. Model Visicoat, measuring 65.5 x 70 cm, this sleeveless vest features a V-shaped neckline and a straightforward open-front construction for easy wear. The simple, utilitarian cut is intended for situations where increased visibility is required.

The vest is finished with visible hems and two reflective strips positioned at chest and waist level to ensure visibility from front and back. Its practical design allows comfortable wear over other clothing and is offered in several colours, for example yellow and orange. Dimensions correspond to a standard fit for general use.

This personalised reflective vest can be customised by screen printing, multicolour transfer, DTF printing or flex. Minimum order: 25 pieces (colours and sizes combined) — smaller quantities can be supplied with additional fees. Free quote within 24 hours on weekdays; our artwork studio can vectorise or retouch your logo. Standard production, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
