## DESCRIPTION

These size 46 shoes, model Blancos, are low-top PU sneakers designed for everyday wear. The smooth PU upper and rubber sole give a clean, easy-care finish—wiping with a damp cloth is usually sufficient. The low cut and lightly padded lining provide comfort at the forefoot, while polyester laces offer a traditional fit. They are supplied in a white shoe box.

The photo shows a minimal design with no central visible seams on the upper, reinforced eyelets and a textured outsole for grip. The tidy finish suits regular use in professional settings or events where a consistent appearance is required.

Customisation is available via multicolour transfer, DTF printing, digital printing or screen printing on objects, depending on placement (side, tongue, heel). This is a non-textile item: minimum order 5 pieces (sizes and colours combined). Suitable for companies, clubs, associations, events and individuals looking for personalised shoes in small runs; our graphics studio can retouch or vectorise your logo.
