DESCRIPTION

The Gamma apron in organic cotton 240 g/m² is designed for hospitality and home use. Its straight cut with bib offers a structured yet flexible feel that suits both professional kitchens and domestic cooks. The fabric provides a clean drape and durability while remaining comfortable for extended wear; machine wash suitable for cotton is recommended.

Practical details include a large front pocket split into two compartments for utensils or order pads, and long waist ties for a secure, adjustable fit. The neck strap is adjustable via a button for easy sizing across different users, and reinforced stitching at stress points improves longevity.

Order this personalised apron for restaurants, businesses, clubs, associations and private customers. Personalisation techniques available: screen printing, multicolour transfer, DTF printing, flex and embroidery. Minimum order: 25 pieces (colours and sizes combined). Our design studio can retouch or vectorise your logo prior to marking.
