DESCRIPTION

This bamboo desk calendar offers a compact, functional solution for daily organisation. Measuring 9.3 x 4.2 x 13.1 cm, it includes a pad of 50 sticky notes and wooden date cubes. The bamboo construction provides a natural look and solid feel on the desk, and it is easy to maintain with a soft cloth.

The unit features a slot suitable for holding a phone, two circular pen holders and a flat area for note-taking; the date cubes sit securely in their grooves for everyday use. The item is FSC® certified and works well on reception counters, office desks and shared workspaces.

Customisation is available via laser engraving for a discreet, long-lasting mark or by pad printing for coloured logos. Recommended for companies, clubs, associations and promotional events. Minimum order: 25 pieces (colours and sizes combined) — smaller quantities can be arranged with additional fees. Free quote within 24 hours on weekdays; our studio can retouch or vectorise your logo.
