DESCRIPTION

The Square-C 4-port USB hub is a compact ABS accessory designed for desk use or travel. It offers two Type-A and two Type-C outputs with power input via Type-C and Type-A connectors, and measures 5.3 x 4.3 x 1 cm for easy storage. Its sturdy ABS housing gives a discreet, practical finish for everyday use. The model is available in several colours, for example black and white.

The flat, square shape makes the hub simple to slip into a bag or drawer. The visible foldable connector reduces bulk when transported, while the multiple ports allow simultaneous connection of USB-A and USB-C devices.

This personalised accessory can be marked by digital printing or pad printing. It is suitable for companies, events, associations, sports clubs and private customers looking for a custom gadget with your logo. Minimum order: 250 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg. Our studio can retouch or vectorise your logo.
