DESCRIPTION

Wooden pencil supplied in a seed-paper sleeve containing wildflower seeds. At 19.7 x 6 x 0.8 cm and with a slim profile, it is practical for everyday note-taking, trade shows and events where a small, eco-minded giveaway is appropriate. The wooden construction gives a lightweight, natural feel; the seed-paper sleeve should be stored dry to keep the seeds viable.

The pencil is held in a central slot of the seed-paper packet, offering a neat, fuss-free presentation with no separate closures. This compact format is well suited to receptions, exhibition stands or inclusion in welcome packs. Dimensions as stated: 19.7 x 6 x 0.8 cm.
