Material	100% Polyester
Fabric weight	335 g/m²
Average weight	200 g
For	Ladies'
Fit	Straight
Label	Sewn-in label
Country of origin	China
Carton	5 pieces

DESCRIPTION

Women’s straight skirt in 100% polyester, lined with a central back vent for ease of movement. The fabric is highly durable (Martindale >100,000 rubs) and low-maintenance: machine washable at 40°C or dry clean. Available in several colours including Black and Navy, and sized from 32 EU to 54 EU.

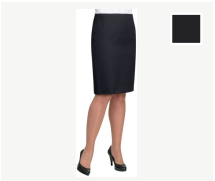

The design is clean and professional with a knee-length pencil silhouette, no visible pockets and neat waist finishes. The rear vent provides comfortable mobility while the lining prevents transparency and improves wear comfort. The skirt keeps its shape with regular use, making it suitable for hospitality or event uniforms.

This personalised skirt can be customised from one piece on a wide range of textile. Available marking techniques include embroidery, flex, screen printing, transfers, DTF printing, embroidered patches, pad printing and digital printing on items. Recommended for companies, sports clubs, associations, schools, youth movements, events and private customers.

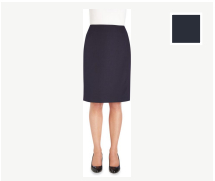

KEY FEATURES

- Very resistant – Martindale test > 100,000 rubs.
- Easy-care.
