Reference	2259
Composition	Aluminium
Material	Aluminium
Average weight	0.007
Dimensions	5,7 x 3 x 0,5CM
Country of origin	China
Carton	1000 pieces

DESCRIPTION

Lightweight and compact at 5.7 x 3 x 0.5 cm, this aluminium keyring is made for attaching to backpacks, bottles or keys without adding bulk. Its elongated shape and visible spring gate provide easy day-to-day use; it is not intended for climbing or professional load-bearing. The keyring is available in several colours, for example black, blue or red, and has a surface suitable for durable marking.

The simple, streamlined profile allows quick access to rings and stores neatly in a pocket or bag. Aluminium construction keeps it very light while rounded edges reduce snagging on fabrics. Dimensions are 5.7 x 3 x 0.5 cm.
