Average weight	0.053
Dimensions	22 x 17 x 11.5 CM
Country of origin	China
Carton	180 pieces

DESCRIPTION

This unisex 5-panel trucker cap, model Bubble, is designed for everyday wear and outdoor events. The foam front provides structure while the curved visor shields from the sun; mesh panels at the back promote airflow. Constructed from polyester (PE) with a plastic snapback adjustment in size 7 1/4, it is lightweight and simple to care for.

Key details include a padded front panel with visible seams, structured visor and reinforced stitching for repeated outdoor use. The cap's design focuses on ventilation and comfort, with compact dimensions around 22 x 17 x 11.5 cm for easy storage and transport.

Personalisation options include embroidery, DTF printing, screen printing on objects (screen printing), multicolour transfer, sublimation and flex. Suitable for companies, sports clubs, associations, promotional events and private customers. Minimum order: 90 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and our studio can vectorise or refine your logo.
