DESCRIPTION

The Elnas cosmetic pouch is designed for care products and small accessories, with a compact rectangular shape (21.5x5x14.5cm), a full-width zip and a pull tab for easy opening. Made from RPET-cotton recycled fabric, it has a canvas-like feel and a flexible structure that suits everyday storage; care should follow the material guidelines. The pouch is available in several colours, for example Black, Grey or Blue.

The finish features subtle seams and a simple interior without visible compartments, practical for creams, brushes and small items. A small sewn tag indicates the recycled origin of the fabric, and the flat silhouette keeps bulk to a minimum when placed inside a larger bag.

This personalised cosmetic pouch is available from a minimum order of 150 pieces (colours combined). Suitable marking techniques include screen printing on objects, multicolour transfer, DTF printing and flex. Well suited for companies, sports clubs, associations, events and promotional gifts; our graphic studio can vectorise or refine your logo for printing.
