DESCRIPTION

The Juliet skirt for women features a straight, tailored cut in a stretch fabric blend (64% polyester, 34% viscose, 2% elastane) with a stretch lining for comfort. It includes a rear vent and a decorative back yoke that shape the silhouette, and a stain-resistant Teflon™ finish. Machine washable, it comes in several colours (for example Black and Navy Pin Dot) and sizes from 34 EU to 46 EU.

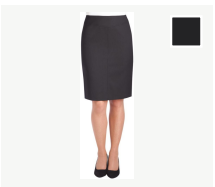

Designed for professional and active wear, the fabric shows high abrasion resistance (Martindale >100,000) and retains its appearance after regular use. The straight cut and stretch lining provide freedom of movement, while the rear vent aids walking and mobility—practical details for daily wear.

This personalised skirt can be customised from one piece and suits companies, sports clubs, schools, associations and private customers. Available marking techniques include embroidery, DTF printing, flex, screen printing, transfers (single-colour and multicolour), embroidered badges and pad printing. Our studio can vectorise or retouch your logo to ensure the best result.
