## DESCRIPTION

This 5000 mAh powerbank in recycled ABS provides a compact, lightweight way to recharge smartphones and small devices on the move. Its slim, rounded-edges design fits easily into a pocket or bag. Measuring 9.9 x 6.2 x 1.5 cm, the Power52C features two USB-A outputs, a USB-C port and a micro-B input, with DC 5V/2A output for reliable charging.

The recycled ABS construction gives a robust feel and four LED indicators show remaining battery level. The smooth, minimalist housing is ideal for crisp branding applications. Please note this promotional item is subject to a minimum order quantity of 25 pieces (colours and sizes combined).

Get a personalised powerbank using digital printing, doming or pad printing depending on the finish you want. Suitable for companies, sports clubs, associations, schools and events; our graphic studio can vectorise or retouch your logo to ensure the best print result.
