Double wall bottle 660 ml

Ref. 2283

Reference	2283
Composition	Recycled Stainless Steel
Material	Recycled Stainless Steel
Average weight	0.36
Dimensions	Ø7 x 27CM
Country of origin	China
Carton	20 pieces

DESCRIPTION

This vacuum-insulated bottle holds 660 ml and is made from recycled stainless steel, offering a slim cylindrical profile suited to daily use. The double wall helps maintain drink temperature while the integrated straw allows sipping without removing the cap. The recycled stainless steel construction is durable and easy to maintain; rinse after use and hand-wash if needed.

The lid features a carrying loop for convenient transport and attachment to bags or clips, and the narrow neck makes drinking comfortable with minimal splashing. Dimensions: Ø7 x 27 cm, model Riflow — a compact format that fits most cup holders and bags.

Customisation is available for companies, sports clubs, associations, events and private customers. Possible techniques: digital printing, laser engraving, screen printing on objects, pad printing, sublimation. Minimum order: 10 pieces. Ideal as a personalised bottle for corporate gifts, event merchandise or welcome packs.
