DESCRIPTION

The Cinco A5 notebook is a practical personalised notebook for meetings, training and everyday note-taking. Its hard PU cover protects 160 lined pages (80 sheets) of recycled paper with FSC certification, giving a structured feel and stable support when writing. Compact dimensions (21 x 14 x 1.2 cm) and a matching ribbon bookmark make it easy to use; the cover can be wiped clean for basic care.

The front features a flat pocket suitable for a phone or slim documents and a side pen loop to keep a pen handy. The pages are secured by an inner wrap binding that helps the notebook open evenly and maintains page alignment over time.

We can personalise this notebook by embossing, screen printing on the object, multicolour transfer, DTF printing, flex or pad printing depending on the desired finish. Suited to companies, sports clubs, associations, events and private customers ordering in quantity: minimum order 25 pieces (colours combined).
