DESCRIPTION

The Neptune dress for women has a straight, gently fitted cut in polyester and elastane, offering comfortable stretch and a smooth stretch lining. A round neck and three-quarter sleeves make it a practical choice for professional wear or events; machine washable at 30°C. It comes in several colour options, for example black and navy, and sizes XS to XL.

The decorative knot at the waist creates a flattering drape that subtly defines the silhouette. Knee-length and a considered fit provide ease of movement while the stretch lining maintains comfort and a neat look. Finishes are tidy and low-maintenance, simplifying everyday care.

Customise this dress for companies, sports clubs, associations or private clients: available marking techniques include screen printing transfers, MSO transfer, DTF printing and flex (heat transfer). Our design studio can vectorise or retouch your logo. Personalised dress can be personalised from one piece.
