DESCRIPTION

Barto bottle opener designed for regular use in bars, catering and events, featuring a natural rubberwood handle for a comfortable grip. The stainless metal head provides a reliable catch on caps while the compact dimensions (4 x 14.4 x 2.2 cm) make it easy to store. Care is straightforward: wipe with a damp cloth and air dry to maintain the wooden finish.

The handle has a gently rounded profile and a practical hanging hole for easy storage. The simple, robust construction avoids delicate mechanisms, making the opener well suited to busy service environments and promotional use.

Customisation is available by laser engraving or pad printing to apply your logo or message — ideal for companies, sports clubs, associations, events and private gifts. Minimum order 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and our art studio can vectorise your logo.
